

PRESS RELEASE

Haitong International Awarded “Best ETF Market Maker” & “Best ETF Manager for Investor Education” by Asia Asset Management

Hong Kong, 30 April, 2015 – Haitong International awarded the “Best ETF Market Maker” and “Best ETF Manager for Investor Education” by Asia Asset Management in its 2015 ETF and Indexing Awards Ceremony.

Haitong International is currently providing market making service for 21 RQFII ETF through its Equity Derivatives platform, accounting for 20% of the market trading volume. In March 2015, Haitong International launched Haitong CSI300 Index ETF with excellent performance. Haitong International’s ETF products and its ETF market making business are well recognized by the market and investors.

Haitong International will further enhance its asset management and equity derivatives business through developing a full spectrum of innovative RMB products.
