

Online Trading Platform Two-Factor Authentication Guide

1. Input your “Login ID” and “Password” on the login page, and then click “Confirm”.

2. The system will send a “One Time Password” to your registered phone number.

3. You are required to input the 6-digit one time password on this page. If you do not receive the password, please click “RESEND OTP” for a resend request.

4. Click “Next Step” on the “Risk Disclosure Statement of Electronic Service” page.

The screenshot shows the 'Risk Disclosure Statement of Electronic Service' page. At the top right, there is a 'Next Step' button. The main content consists of six numbered paragraphs detailing the risks of using the electronic trading system, including hardware/software failures, system vulnerabilities, communication delays, and data accuracy. Below the paragraphs, there are links for 'Stock Connect Supplement to Cash Account and Leveraged Foreign Exchange Trading Account Terms & Conditions and Stock Connect Risk Disclosure and other information' and 'Stock Connect Supplement to Margin Account and Leveraged Foreign Exchange Trading Account Terms & Conditions and Stock Connect Risk Disclosure and other information'. At the bottom, there is a section titled 'Important points to note for Use of the Electronic Services'.

5. Accessing to the trading platform.

The screenshot displays the trading platform interface. At the top, it shows the user's account information: 'User: 0123456 (client0123456)' and 'Direct Line: (852) 21318340'. The main area features a 'Trade and Quote' section with a 'Buy' button and a 'Sell' button. Below this, there is a table with columns for 'Day High', 'Day Low', 'Turnover', 'Volume', and 'P/E'. The table is currently empty. At the bottom of the page, there is a section for 'Order Status' and 'Stock Position', along with a disclaimer and contact information for Haitong International Securities Group.
