¹ All calls to and from the Participant General Enquiry Hotline may be recorded. HKEX Privacy Policy Statement is available [here](#).

Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

Potential actions to be taken by investors on or before the Last Trading Day

1. Trading on the SEHK on any trading day up to (and including) the Last Trading Day (i.e. from now up to and including 20 February 2023)

On any trading day up to (and including) the Last Trading Day, an investor may continue to buy or sell its Units on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The Manager expects that market makers of the Products (collectively the “Market Makers”) will continue to perform their market making functions in accordance with the Rules of the Exchange until the Trading Cessation Date. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Holding Units after the Last Trading Day

For Relevant Investors who are still holding Units in the Products after the Last Trading Day, the Manager will, after consulting the Trustee and the Products’ auditors, declare a distribution in Hong Kong Dollars (the “Distribution”) in respect of those investors who remain invested in the Products as of the Distribution Record Date (the “Relevant Investors”).

Each Relevant Investor will be entitled to a Distribution of an amount equal to the relevant Product’s then Net Asset Value in proportion to the Relevant Investor’s Units as at the Distribution Record Date. (i.e. By close of business on 24 February 2023).

The Distribution payable to each Relevant Investor is expected to be paid on or around 30 March 2023, to the accounts of its financial intermediary or stockbroker maintained with CCASS as at the Distribution Record Date. The Manager will issue a further announcement to inform the Relevant Investors of the exact day of payment of the Distribution, together with the amount of Distribution per Unit for each Product in due course.

IMPORTANT NOTE: If an investor disposes of its Units at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Distribution or further distribution (if any) in respect of any Units so disposed. Investors should therefore exercise caution and consult their professional and financial advisers before dealing in their Units or otherwise deciding on any course of actions to be taken in relation to their Units.

Exchange/CCASS Participants are urged to:

- forward a copy of the Announcement and Notice to their clients holding any Units and inform them of the contents of the Announcement and Notice as soon as possible;
- assist those clients who want to dispose of any Units on or before the Last Trading Day; and
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Units.

If you have any questions in relation to the contents of the Announcement and Notice, please direct them to your stockbrokers or financial intermediaries or contact the Manager at 37th Floor, Bank of China Tower, 1 Garden Road, Central, Hong Kong or enquiry hotline at (852) 3406 8686 during office hours, or visiting the Manager's website <http://www.chinaamc.com.hk>.
