(<https://www1.hkexnews.hk/listedco/listconews/sehk/2024/0823/2024082300707.pdf>)

concerning the proposed cessation of trading, termination, voluntary deauthorisation and delisting and the non-applicability of certain provisions of the Code on Unit Trusts and Mutual Funds (the “Announcement and Notice”).

Capitalized terms used herein shall have the same meanings set out in the Announcement and Notice unless the context otherwise requires.

According to the Announcement and Notice, the expected Last Trading Day of the Shares in the Terminating Sub-Funds on The Stock Exchange of Hong Kong Limited (the “SEHK”) will be 24 September 2024, after which the Terminating Sub-Funds will no longer be traded on the SEHK. The expected Deauthorisation and Delisting of the Terminating Sub-Funds will be on or shortly after the Terminating Date (i.e. expected to be 30 October 2024).

<sup>1</sup> All calls to and from the Participant General Enquiry Hotline may be recorded. HKEX Privacy Policy Statement is available [here](#).

Upon Deauthorisation and Delisting of the Terminating Sub-Funds, the Terminating Sub-Funds will no longer be subject to Hong Kong regulation by the Securities and Futures Commission (the “SFC”) nor recognized as the eligible securities in Central Clearing and Settlement System (“CCASS”) by Hong Kong Securities Clearing Company Limited (“HKSCC”).

Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

### **Potential actions to be taken by investors on or before the Last Trading Day**

1. Trading on the SEHK on any trading day up to and including the Last Trading Day (i.e. from now up to and including 24 September 2024)

On any trading day up to and inclusive of the Last Trading Day, an investor may continue to buy or sell its Shares on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The market makers of the Terminating Sub-Funds will continue to perform their market making functions in accordance with the Rules of the Exchange until the Last Trading Day. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Holding Shares after the Last Trading Day

For Relevant Investors who are still holding Shares after the Last Trading Day, the Manager will, after having consulted the Custodian and the auditor of the Terminating Sub-Funds, declare a final distribution of assets in the relevant Terminating Sub-Fund’s Base Currency (the “Final Distribution”) in respect of those investors who remain invested in the Terminating Sub-Funds as at the Distribution Record Date (By close of business on 2 October 2024) (the “Relevant Investors”). Such Final Distribution is expected to be made on or around 17 October 2024 (the “Final Distribution Date”).

Each Relevant Investor will be entitled to the Final Distribution of an amount equal to the relevant Terminating Sub-Fund’s then Net Asset Value in proportion to the Relevant Investor’s Shares in that Terminating Sub-Fund as at the Distribution Record Date. Each Terminating Sub-Fund’s then Net Asset Value will be the total value of the net proceeds from the realisation of the assets of the relevant Terminating Sub-Fund, which will exclude (i) any taxes payable; and (ii) any expenses payable.

The Final Distribution payable to each Relevant Investor is expected to be paid on or around 17 October 2024 to the accounts of its financial intermediary or stockbroker maintained with CCASS as at the Distribution Record Date. The Manager will issue a further announcement to inform the Relevant Investors of the exact day of payment of the Final Distribution, together

with the amount of Final Distribution per Share in respect of the relevant Terminating Sub-Fund on or around 8 October 2024.

The Manager does not expect or anticipate there will be a further distribution after the Final Distribution. However, in the unlikely event there is a further distribution after the Final Distribution, the Manager will issue an announcement informing the Relevant Investors.

**IMPORTANT NOTE: If an investor disposes of its Shares at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Final Distribution or any further distribution (if any) in respect of any Shares so disposed. Investors should therefore exercise caution and consult their professional and financial advisers before dealing in their Shares or otherwise deciding on any course of actions to be taken in relation to their Shares in any of the Terminating Sub-Funds.**

**Exchange/CCASS Participants are urged to:**

- forward a copy of the Announcement and Notice to their clients holding Shares in any or all of the Terminating Sub-Funds, and inform them of the contents of the Announcement and Notice as soon as possible;
- facilitate their clients who want to dispose of Shares in any or all of the Terminating Sub-Funds on or before the Last Trading Day; and
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Shares.
