Potential actions to be taken by investors on or before the Last Trading Day

1. Trading on the SEHK on any trading day up to and including the Last Trading Day (i.e. from now up to and including 3 May 2019)

On any trading day up to and inclusive of the Last Trading Day, an investor may continue to buy or sell its Units in the Terminating Product on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The market maker of the Terminating Product will continue to perform its market making functions in accordance with the Rules of the Exchange. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Holding Units after the Last Trading Day

For Relevant Investors who are the beneficial owner of Units which are registered in the name of HKSCC Nominees Limited and held in CCASS (the “Relevant Investors”) will be entitled to a Final Distribution of an amount equal to the Terminating Product’s then Net Asset Value in proportion to the Relevant Investor’s interests in the Terminating Product as at the Distribution Record Date (i.e. By close of business on 9 May 2019).

The Final Distribution payable to each Relevant Investor is expected to be paid to the accounts of its financial intermediary or stockbroker maintained with CCASS on or around 31 May 2019. The Manager will issue a further announcement to inform the investors of the exact day of payment of the Final Distribution, together with the amount of Final Distribution per Unit in respect of the Terminating Product, when the same are available.

IMPORTANT NOTE: If an investor disposes of its Units in the Terminating Product at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Final Distribution or any further distribution (if any) in respect of any Units in the Terminating Product so disposed. Investors should therefore exercise caution and consult their professional and financial advisers before dealing in their Units in the Terminating Product or otherwise deciding on any course of actions to be taken in relation to their Units in the Terminating Product.
